Montageanleitung für den Carepod Cube-Ständer

1

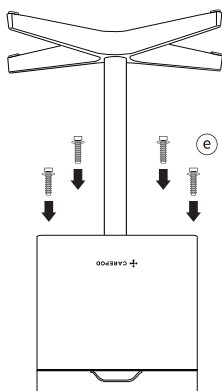

Das spitz zulaufende Ende der Stange (b) in die Öffnung der Standfüße (c) einführen. Stange (b) mit der großen Schraube (d) sichern. Mit dem Innensechskantschlüssel (f) von der Unterseite der Standfüße (c) festziehen.

2

Halterung (a) auf die Stange (b) schieben. Mit der großen Schraube (d) sichern. Mit dem Innensechskantschlüssel (f) von oberhalb der Halterung (a) festziehen.

3

Carepod Cube am Ständer befestigen. Kleine Schrauben (e) durch die 4 Löcher an der Unterseite der Halterung (a) einsetzen. Mit dem Innensechskantschlüssel (f) festziehen.

Komponenten

① Halterung

② Stange

③ Innensechskantschlüssel

④ Standfüße

⑤ Schraube (groß) x2

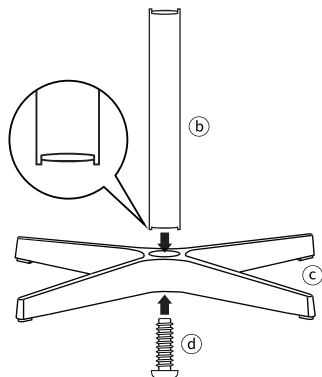

⑥ Schraube mit Unterlegscheibe (klein) x4

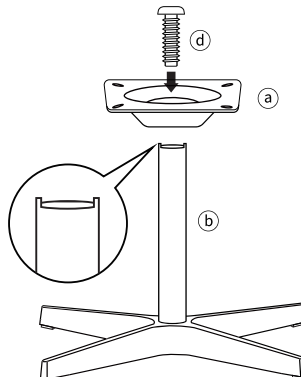

Carepod Cube Stand Assembly Guide

1

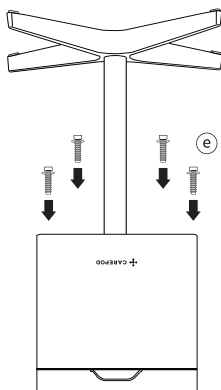

Insert the tapered end of the pole (b) into the opening of the stand legs (c). Secure the pole (b) with the large bolt (d). Tighten using the hex key (f) from underneath the legs (c).

2

Slide the bracket (a) onto the pole (b). Secure with the large bolt (d). Tighten using the hex key (f) from above the bracket (a).

3

Attach the Carepod Cube to the stand. Use the small washer bolt (e) to attach through the 4 holes at the bottom of the bracket (a). Tighten with the hex key (f).

Components

Ⓐ Bracket

Ⓑ Pole

Ⓕ Hex Key

Ⓒ Legs

Ⓓ Bolt (Large) x2

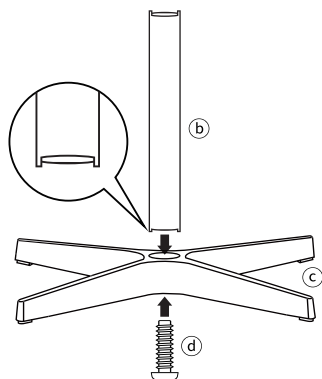

Ⓔ Washer Bolt (Small) x4

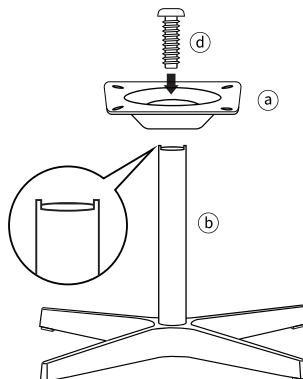

Guide d'assemblage du support Carepod Cube

1

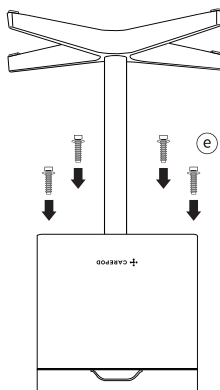

(b) Insérez l'extrémité de la colonne dans la fente de (c) la jambe, puis fixez-la sous (c) la jambe avec (d) un grand boulon en serrant à l'aide de (f) une clé Allen.

2

(a) Insérez la partie supérieure de la colonne dans (a) la fente de la base et assemblez avec (d) un grand boulon sur la surface supérieure de (a) la base en utilisant (f) une clé Allen.

3

Après avoir combiné l'humidificateur Cube avec le support, fixez (e) les petits boulons dans les quatre fentes situées au bas de (a) la base, puis serrez fermement avec (f) une clé Allen.

Composants

(a) Base

(b) Colonne

(f) Clé Allen

(c) Pieds

(d) grands boulons
- 2 unités

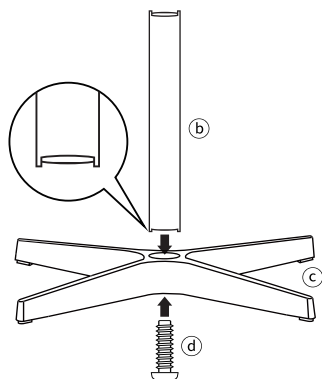

(e) Petits boulons avec
rondelle - 4 unités

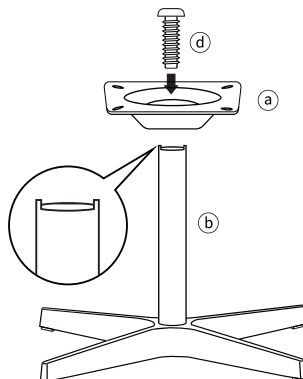

Guía de ensamblaje de la base del Carepod Cube

1

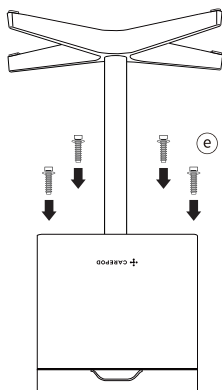

Inserte el extremo cónico del poste (b) en la abertura de las patas del soporte (c). Asegure el poste (b) con el tornillo grande (d). Apriete con la llave Allen (f) desde debajo de las patas (c).

2

Deslice el soporte (a) sobre el poste (b). Asegure con el tornillo grande (d). Apriete con la llave Allen (f) desde arriba del soporte (a).

3

Acople el Carepod Cube al soporte. Use el tornillo con arandela pequeño (e) para acoplar a través de los 4 orificios en la parte inferior del soporte (a). Apriete con la llave Allen (f).

Componentes

a) Soporte

b) Poste

f) Llave Allen

c) Patas

d) Tornillo (grande) x2

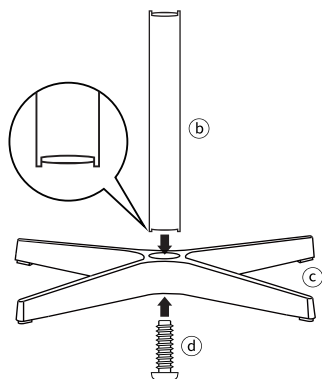

e) Tornillo con arandela (pequeño) x4

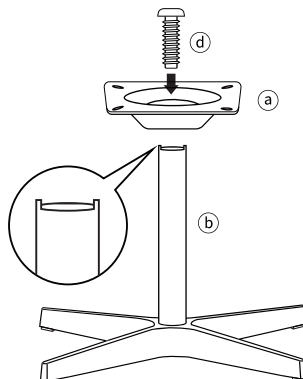

Guida al montaggio del supporto Carepod Cube

1

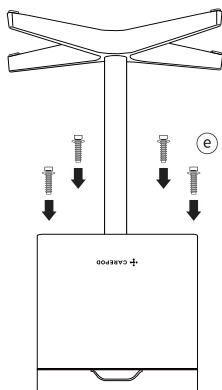

Inserire l'estremità rastremata dell'asta (b) nell'apertura delle gambe del supporto (c). Fissare l'asta (b) con il bullone grande (d). Stringere con la chiave esagonale (f) dalla parte inferiore delle gambe (c).

2

Far scorrere la staffa (a) sull'asta (b). Fissare con il bullone grande (d). Stringere con la chiave esagonale (f) dalla parte superiore della staffa (a).

3

Fissare il Carepod Cube al supporto. Usare il bullone con rondella piccolo (e) per fissare attraverso i 4 fori nella parte inferiore della staffa (a). Stringere con la chiave esagonale (f).

Componenti

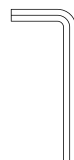

① Staffa

② Asta

③ Chiave esagonale

④ Gambe

⑤ Bullone (grande) x2

⑥ Bullone con rondella (piccolo) x4
